

Why Did You Call

Sasha

I use to - love you
Shame on - me 'cause
All my desperate thoughts are still
Revolving around you

You said - you go
And then you - left me here
And without a single doubt
This was forever

So why did you call me - late last night?
Do I deserve you - wasting my time?
Hope you enjoyed watching my fall
So why did you call - at all, at all?

Well, I'm not - stupid
Or lovesick - anymore
I'm much closer than you know
Trying to get over you

So why did you call me - late last night?
Do I deserve you - wasting my time?
Hope you enjoyed watching my fall
So why did you call - at all?
Hello
That's what you said when you rang me outta bed
Hello, hello
That's more than enough to know I'm not so tough
After all

Why did you call me - late last night?
Do I deserve you - wasting my time?
Hope you enjoyed watching my fall
So why did you call - at all?
