

# Cry Baby

Sass Jordan

No one takes a fall  
Quite as hard the second time around  
I don't know at all  
But I know it's surely what I have found

I need you to release me  
Forgive me if you think that I was wrong  
Put your arms around me, honey  
Make me feel that it's alright  
Nothing could be darker  
Than this long and ugly fight

Down to the ground we fall  
Just like fallen leaves from a tree, we fall  
And I hear you callin' me  
"Cry baby, yeah yeah yeah"

Who knows what you're hidin'  
Howlin' in the fortress of your mind  
Who knew I'd be feelin'  
Feelin' like this ain't too far from dyin'

"Life is made for change"  
Well I know that that's what you will say  
You know I believe you, honey  
I don't know why I still cry  
Maybe it runs deeper than  
What only meets the eye

Down to the ground we fall  
Just like fallen leaves from a tree, we fall  
And I hear you callin' me  
"Cry baby, yeah, cry baby, yeah"

Take me by the hand  
Lead me up the stairway  
I've been here before  
I know what you will say

I've been on a long road  
I got in too deep  
Got no room for maybes  
I can hear you sayin'  
"Cry baby, cry baby"

Down to the ground we fall  
Just like fallen leaves from a tree, we fall  
And I hear you call me  
"Cry, cry", call me, "Cry baby"

Cry baby, yeah yeah  
Cry baby, cry baby  
Cry baby, cry baby
