

Some dogs got big eyes and some got curly hair  
And some dogs are the type, your momma said don't care  
Dirty is my stlye and i like my oil crude  
Your the ugliest thing I've ever seen  
and I think I love ya

far be it from you to tell me what to do  
who I choose to rock my world ain't up for review  
nothin left is sacred oh I've changed my point of view  
You're the ugliest thing i've ever seem and  
I think I love you

Monkey see and monkey say  
who tell monkey the way  
monkey will if monkey may

Well I don't mind if you don't keep you're nose too clean  
I just want to know if you're hiding something I ain't never seen  
Cause nothin left is sacred oh I've changed muy point of view  
You're the ugliest thing I've ever seen, and I think I love you
