

## Candy In Mouth

## Satan Takes a Holiday

Oh mona lisa  
My mona lisa  
Oh mona lisa  
You are apart from me

I don't believe you  
I don't believe you  
We don't believe you  
Your knowing, cunning smile

I wanna see ya  
So come and see me  
I wanna see ya  
Let's have a look at you

You're undercover  
You're undercover  
Under your cover  
Is where we want to be

Put the money in the bank baby  
Put the money right where it belongs

My mona lisa  
My mona lisa  
Oh mona lisa  
You know we promised you

Fooled hearts  
A full moon  
A safe passage  
To be a part of us

Come see me  
Come see me  
Oh come see me  
Let's have a look at you

Under cover  
You're undercover  
Under your cover  
Is where we want to be

Put the money in the bank baby  
Put the money right where it belongs  
Put the candy in your mouth baby  
Put the candy in your mouth... baby

I want a look at you  
So come see me  
Let's have a look at you  
Come see me  
I want a look at you  
So come see me  
I want a look at you  
Let's have a look at you

Put the money in the bank baby  
Put the money right where it belongs  
Put the candy in your mouth baby  
Put the candy in your mouth... baby
