

Make It Rain

Satan Takes a Holiday

Come on get to it
Come on make it rain
It's supposed to hurt
Cause we're all about pain

Get ready for whatever
Get ready for more
I've got more in store for you
So go ahead and open that door

And what you do for you
You have to do for me too

I've been waiting all my life
I've been waiting for you
To tear me apart
All but my heart

I've been waiting for you
And your pack of wild dogs
To tear me apart
All but my heart

Oh when it starts to bleed
You have to bleed for me too

Come on get to it
Come on and make rain
It's supposed to hurt
And you've got yourself to blame

Get ready for whatever
Get ready for more
I've got more in store for you
You'll never close that door

And what you do for you
You have to do for me too
Yeah when you start to bleed
You'll wanna bleed for me too
You owe me a hundred kronor
You better bleed for me too
