

Moth And Flame

Satan Takes a Holiday

You get aroused
But you can't get any action
You get aroused
But I wanna get paid
Oh pretty please
A minute of your action?
My mama told me about the moth and the flame

Shut your mouth
And do me like I'm an actor
Shut your mouth
Now do me for the fame
On your knees
On my silver platter
My papa told me that my mama's to blame

I'm cold
I'm hot
I'm cold, I'm hot
And I can't stop

You get aroused
But you can't get any action
I've turned my back on you
That's how I get paid
Oh how it seems
I get what I go after
Shut your mouth
I wanna play

Oh ma ma ma pa pa oh ma ma ma oh pa pa

I'm cold
I'm hot
I'm cold, I'm hot
And I can't stop

Hey!

Oh ma ma ma pa pa oh ma ma ma oh pa pa
