

Don't Fade Away

Satanic Surfers

Although we've had our differences of opinion through the years
I can't deny what I am feeling in here
There are feelings I can hide within me and feelings that I can
't conceal
Like the ones that are bringing on this tears

Sometimes I think that I never get to know you well enough,
never understand why you did the things you did
Although I'm part of you and you're part of me too
I just wanted you to understand that I'm
Not an echo of your life

I don't never want to forget the sound of your voice or the smile on your face
I don't want the image of you to fade away
I know we're running out of time, don't ever think I said "I love you"
This is my way of saying I do

Although we've had our differences through the years I cannot judge you,
cannot understand what I do not know
There are feelings I can hide within me and feelings that I can
't conceal
But still they're so difficult to show

Sometimes I think that I never get to know you well enough,
never understand why you did the things you did
Although I'm part of you and you're part of me too
I just wanted you to understand that I'm
Not an echo of your life

I don't never want to forget the sound of your voice or the smile on your face
I don't want the image of you to fade away
I know we're running out of time, don't ever think I said "I love you"
This is my way of saying that I do
