

Evil 2

Satanic Surfers

Hell
Venom

Don't cry, baby don't cry
Don't shed any tears for me

Yes I'm evil
So fucking evil
Evil is my middle name

Don't cry baby
Don't cry
Don't shed any tears for me
Baby don't shed any tears when you see me bleeding
From the scars in my face

Yes I'm evil
So fucking evil
Evil is my middle name

Yeah, I'm evil
So fucking evil
Evil is my middle name

Watch me bleed

[x2] Full moon on a
Blank sky
And I'm howling like a wolf at night [x2]

Don't cry, baby don't cry
Don't shed any tears for me

Yes I'm evil
So fucking evil
Evil is my middle name

I'm evil
So fucking evil
Evil is my middle name

Watch me bleed [x2]

[x2] Full moon on a
Blank sky
And I'm howling like a wolf at night [x2]
