

## Got To Throw Up

Satanic Surfers

we spend eight hours on the road  
just to put up a shitty show few appreciate we play our set and  
go...  
to where ever it is that we're gonna stay tonight and now that  
the tension is gone  
we laugh at our mistakes let go of the breaks have a few beers  
and relax  
have a few beers with our friens we bring some friends and our  
gear in the van  
that's why were always too late lucifer doesn't go too fast  
and we're not always feeling so great 5 cups of coffee,  
1 or 2 beers then I'm in shape for an intense shit-break  
before I can go up on stage coffee drinking, always stinking  
still brings out the best in me the smelly farts, the crapy jke  
s  
the stomacheases, headaches the laughs and the.....
