Got To Throw Up

Satanic Surfers

we spend eight hours on the road just to put up a shitty show few appreciate we play our set and go... to where ever it is that we're gonna stay tonight and now that the tension is gone we laugh at our mistakes let go of the breaks have a few bears and relax have a few bears with our friens we bring some friends and our gear in the van that's why were always too late lucifer doesn't go too fast and we're not always feeling so great 5 cups of coffee, 1 or 2 beers then I'm in shape for an intense shit-break before I can go up on stage coffee drinking, always stinking still brings out the best in me the smelly farts, the crapy jke S the stomacheases, headaches the laughs and the.....
