I Scream

Satanic Surfers

Bleed when I'm cut and I cry when I'm hurt
That doesn't mean that I'm unhappy
I smile when I am glad
What's so fucking macho
About not showing emotions?
I ain't no fucking robot

Call me weak but I feel stronger than ever
Pretending to be something we're not
That is weakness
Are you weak?

I scream
When I'm angry
I scream
When I'm pist off
And I scream
When I'm angry I scream [x2]
