

# Institutionalised Murder

## Satanic Surfers

We don't have to feel it  
The pain behind what we are served, just food on a plate, a dis  
integrated creature

(How much do we know)  
About what we eat and where it comes from?  
We know we are superior  
But we sure as hell don't act responsible, no, instead we insem  
inate, force feed and cage them

And we call ourselves civilized  
(Call ourselves human)  
Yeah, we're so fucking civilized when we act like savages and s  
peak of a higher morality

We wash the blood from our hands as we  
Institutionalize murder  
We wash the blood from our  
We wash the blood from our hands

Will the cloning of animals bring us to a new dimension of crue  
lty, a step further on the scale of efficiency of production?

I mean we already inseminate, force feed and cage them

Yeah, we're so fucking civilized
