

I drank my head to pieces, that day had been  
a bore first time in her apartment, I passed out on the floor  
next time in her apartment, had a fucking hole in my head

I started on the floor but we ended up in bed I'm just  
a teenage punk first time in her apartment, I passed out  
on the floor funny how things they change, now I have a  
key to her door I'm just a teenage punk I'm just a  
teenagepunk and I love this girl I'm just a teenage punk  
I'm just a teenage punk and I love this world when  
I'm with that.....girl!
