Restless Anger

Satanic Surfers

The restless anger of youth still shakes this foundation now... on which they've built up their empires of oppression struggling for justice, the true people's court is in session out there on the streets

See it fall, come crumbling down wow oh wow...watch it all come crumbling down

Wow oh wow...the times they are a changing wow oh wow...there is no turning back

Let's go now...the time has come... for the young...to assess the damage and reverse it!
