

## Der Schwarze Order

Satanic Warmaster

In the forest of broken crosses  
The aryan wind has blown  
The blazing torch of death's majesty  
Reflected on the skull

Torching winds of war  
The semite creation in ashes  
The remains blown away to the past  
Of the new Hyperborean order

Das Schwarze Orden  
Das Zeichen der Sonne am Horizon!

And the star that lights the night  
Is the eye of the one with horns

Horizon engulfed in red clouds  
A thundering roar as the star of david is crushed  
The slow death of degeneration  
A new order of wisdom is at hand
