

## Betrayer Love

Satariel

Deceitful One, truly I loveth thee, truly I adore thee, please  
have me  
Take me, I beg thee, you make me weak as I for thee have to see  
k

Betrayal is her name, the reason for my shame  
Betrayal is her name, the reason for my shame

I know she will hurt me, still I want her more  
She will never do me good, but I must have love  
For I am addicted to the most dangerous of venoms

When you lift me high I have no fear  
Though you always let go when we're as highest  
In every woman I search for thee  
For that you I wish you'd be  
A fool she've turned me, see

She appeared not in red for me, but in blue  
Surely yes, my heart beat fast, and my breath was aching  
But warmth or affection had no way with me  
Rather then a teasers prey I was  
She bond me by flesh, but not by trust
