## Keep It Movin'

Saukrates

A ha, capital hill (xzibit) yeah, sit back and smoke a fat one. yeah, pronto. look from los Angeles to toronto. I heard that big sox got it going on. I heard that nigga Xzibit got it going on. (xzibit) spittin' at 'em. yeah, like a automatic philly.

Yo, revolutionary, evolutionary Bulldozer, leave y'all with troops to bury Clean sweep if ya smell fear in these mean streets It's instinct, life's a bitch and she's far from cheap I got love for my dogs hustling for defeats Put it down for this paper, increase the real Come wit it, run wit it, f\*\*k wit it Big sauk to shock your mind and your spirits Taste these lyrics while I spit truth on tape Whether two inch, a dat, or d-a-t-a I impregnate wax, so get mine regardless Of anybody's set, I'm starving the artist Who's next to me? the x to z Together we bomb mcs with text debris Leaving y'all hard pressed to breath Other words, nigga's show love and chicks spit the ecstasy How real is that?

I keep it moving and moving, keep it going, going like that y'all (like that y'all), like that (i keep it moving and moving, keep it going, going like that y'all) Like that y'all

See I put the beated nigga, ask him if he's had enough Tan khakis, t-shirt, wife beater tatted up Looking for props How you explain to nigga drinking beer to the bottom that they can't come up Mother fucker say what? Stack loot so much, reach out and touch you probably die from the paper cuts I see you lazy fucks, sceming on the speed demon Keep on dreaming, give me any type of reason To stop your breathing, yeah it' me against the world 'cause the eyes deceiving, anybody want to bet me Saukrates, bouncing wide like a jet ski Meet a bitch who ain't hard stick like wayne gretzky Look I try to live where the lolos and the sets be I still roll dolo, how a normal nigga test me I let you have it in the face trying to waste me Your homies can't face me 'cause they scared for their own safety I keep it moving and moving, keep it going, going like that y'all (like that y'all), like that (i keep it moving and moving, keep it going, going like that y'all)

(i keep it moving and moving, keep it going, going like that y'all) Like that y'all (2x)

How real is that?
(feel the rush) yeah, feel it
(feel the adrenaline \*echoed\*)
Feel the rush, feel the adrenaline

Yo, take that, take that, nigga stay back With that fake rap, break that 'fore cats react To your shallow ass shit, go practice Saukrates never making wack shit, trust me son If I'm eating, my dogs eating Use experience for teaching without preaching Each, and everyday I be thinking about my future Preparing for the new world we ain't used to Handle that, with supreme caution Peep this mental distortion Hitting you with grips of funk by the portions Consulting with killers could lead to abortion Face down in a closed coffin, what!

I keep it moving and moving, keep it going, going like that y'all (like that y'all), like that (i keep it moving and moving, keep it going, going like that y'all) Like that y'all (2x)

This is how we do mad dawg. ha ha ha ha. yeah, pronto from here to Toronto. x to the z, saukrates, liquid mcs baby. so, keep it moving.
