

# Break Me Shake Me

Savage Garden

I never thought I'd change my opinion again  
But you moved me in a way that I've never known  
You moved me in a way that I've never known

But straight away you just moved into position again  
You abused me in a way that I've never known  
You abused me in a way that I've never known

So break me shake me hate me take me over  
When the madness stops then you will be alone  
Just break me shake me hate me take me over  
When the madness stops then you will be alone

So you're the kind that deals with the games in the mind  
Well you confuse me in a way that I've never known  
You confuse me in a way that I've never known

So break me shake me hate me take me over  
When the madness stops then you will be alone  
Just break me shake me hate me take me over  
When the madness stops then you will be alone

She says; I can help you, but what do you say?  
But it's not for free baby, you'll have to pay  
You just keep me contemplating, that your soul is slowly fading

God don't you know that I live with a ton of regret?  
'Cause I move you in a way that you've never known  
But then I accused you in a way that you've never known  
But you hurt me in a way that I've never known...

Break me shake me hate me take me over  
When the madness stops then you will be alone  
Just break me shake me hate me take me over  
When the madness stops then you will be alone  
(Listen, baby)  
You'll be, you'll be alone  
Break me shake me hate me take me make me  
Fake me break me shake me hate me take me  
Break me
