

I Knew I Loved You

Savage Garden

Maybe it's intuition
but some things you just don't question
Like in your eyes, I see my future in an instant
And there it goes,
I think I found my best friend
I know that it might sound
more than a little crazy
but I believe...

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life

There's just no rhyme or reason
Only the sense of completion
And in your eyes, I see
the missing pieces I'm searching for
I think I've found my way home
I know that it might sound
more than a little crazy
but I believe...

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life

A thousand angels dance around you
I am complete now that I've found you

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life
