Tears of Pearls

Savage Garden

And we stare each other down Like victims in the grind Probing all the weakness And hurt still left behind and we cry The tears of pearls We do it, oh we do it

Is love really the tragedy The way you might describe? Or would a thousand lovers Still leave you cold inside? Make you cry These tears of pearls

Oh, all these mixed emotions We keep locked away like stolen pearls Stolen pearl devotions We keep locked away from all the world

Your kisses are like pearls So different and so rare But anger stole the jewels away And love has left you bare Made you cry These tears of pearls

Well I could be the tired joker Pour my heart to get you in Sacrifice my happiness Just so I could win Maybe cry These tears of pearls

Oh, all these mixed emotions We keep locked away like stolen pearls Stolen pearl devotions We keep locked away from all the world

We twist and turn where angels burn Like fallen soldiers we will learn Once forgotten, twice removed Love will be the death The death of you

Uh baby Ah come on darling Ah mmm,mmm (Come on) Mmm, hey (Come on) (Oh, oh, oh, oh)

All these mixed emotions We keep locked away like stolen pearls Stolen pearl devotions We keep locked away from all the world Oh, all these mixed emotions We keep locked away like stolen pearls Stolen pearl devotions We keep locked away from all the world
