

# The Best Thing

Savage Garden

Never want to fly  
Never want to leave  
Never want to say what you mean to me  
Never want to run  
Frightened to believe  
You're the best thing about me

Sometimes I feel like this is only chemistry  
Stuck in a maze searching for a way to  
Shut down run around feel the ground beneath me  
You're so close where do you end where do I begin?  
Always pushing and pulling  
Sometimes sanity takes vacation time on me  
I'm in a daze stumbling bewildered  
North of gravity head up in the stratosphere  
You and I roller coaster riding love  
You're the center of adrenaline  
And I'm beginning to understand

Never want to fly  
Never want to leave  
Never want to say what you mean to me  
Never want to run  
Frightened to believe  
You're the best thing about me

Walk on broken glass make my way through fire  
These are the things I would do for love  
Farewell peace of mind kiss goodbye to reason  
Up is down the impossible occurs each day  
This intoxication thrills me  
I only pray it doesn't kill me

Never want to fly  
Never want to leave  
Never want to say what you mean to me  
Never want to run  
Frightened to believe  
You're the best thing about me

You're the center of adrenaline  
And I'm beginning to understand  
You could be the best thing about me

Never want to fly  
Never want to leave  
Never want to say what you mean to me  
Never want to run  
Frightened to believe  
You're the best thing about me

You could be the best thing about me  
What if you're the best thing about me?
