The Lover After Me

Savage Garden

Here I go again I promised myself I wouldn't think of you today It's been seven months and counting You've moved on I still feel exactly the same It's just that everywhere I go all the buildings know your name Like photographs and memories of love Steel and granite reminders The city calls your name and I can't move on

Ever since you've been gone The lights go out the same The only difference is You call another name To your love To your love To your love The lover after me

Am I all alone in the universe? There's no love on these streets I have given mine away to a world that didn't want it anyway So this is my new freedom It's funny I don't remember being chained But nothing seems to make sense anymore Without you I'm always twenty minutes late

Ever since you've been gone The lights go out the same The only difference is You call another name To your love To your love The your love The lover after me

And time goes by so slowly The nights are cold and lonely I shouldn't be holding on But I'm still holding on for you

Here I go again I promised myself I wouldn't think of you today But I'm standing at your doorway I'm calling out your name because I can't move on

Ever since you've been gone The lights go out the same The only difference is You call another name To your love To your love To your love The lover after me
