

Awoken into suicide  
To rid the demons from your mind  
Condemning into certitude  
Of death's inferno awaiting you

Heading out on a road to loss  
Cynical, You must bear the cross  
Keep the balance at eternal cost  
Until deeds redeem your soul

Rejected pleas are crucified  
Unto this servant now abide  
There is no breaking down these walls  
Accept your fate without recourse

Heading out on a road to loss  
Cynical, You must bear the cross  
Keep the balance at eternal cost  
Until deeds redeem your soul
