

## Fugitive

Savage

Well you find you got a lover tonight  
To hide away  
And if you want me undercover tonight  
Then find a way  
Oh let me know the man is here  
He don't wanna jive I'm dead or I'm alive oh

I wasn't plannin' to be stoppin' tonight  
'Til I'm far away  
'Cause all Hellza gonna poppin' tonight  
S' don't send me away  
Oh I never shut the deputy  
Oh sure I robbed a bank and they know who  
To thank

You take my life tonight  
You decide on what is right  
You think about a plan  
You hide me from the man  
You keep me out a sight

Well I'm runnin' but I takin' my time  
So shelter me  
And tonight I wanna drinkin' your wine  
Be fancy free  
Oh they're at the door say you're alone  
You know they got the guns  
They'll shout me down for fun hey

You take my life tonight  
You decide on what is right  
You think about a plan  
You hide me from the man  
You keep me out a sight
