

Tonight

Savage

The time you never know
Life's so easy
Once you fly to me
All i needed.

Try to fly why sure
Further she says
But never let me go too far
Yesterday.

Tonight tonight
I'm far away
Tonight tonight
From yesterday
Tonight tonight
I'm far away.

The time has come to go
Not so easy
And if i fly alone
I have my reasons.

Try to fly why sure
Further she says
But never let me go too far
Yesterday.

Tonight tonight
I'm far away
Tonight tonight
From yesterday
Tonight tonight
I'm far away.
