Tonight

The time you never know Life's so easy Once you fly to me All i needed.

Try to fly why sure Further she says But never let me go too far Yesterday.

Tonight tonight I'm far away Tonight tonight From yesterday Tonight tonight I'm far away.

The time has come to go Not so easy And if i fly alone I have my reasons.

Try to fly why sure Further she says But never let me go too far Yesterday.

Tonight tonight I'm far away Tonight tonight From yesterday Tonight tonight I'm far away. Savage
