If only I didn't want the world I wouldn't make you feel so sad I'm sure my shame would be gone Is it human to adore life?

If only I'd hidden my lust And starved a little bit more If only I didn't ask for more Is it human to adore life?

I adore life

If only I'd lived beyond regret
I wouldn't feel guilt for what I take
Is it human to ask for more?
Is it human to adore life?

I know evil when I see it
I know good and I just do it
If I hadn't been so starved
Is it human to adore life?

I understand the urgency of life
In the distance there is truth which cuts like a knife
Maybe I will die maybe tomorrow so I need to say

I adore life

If only I had been more shy And hid every tear I cried If only I didn't wish to die Is it human to adore life?

If only I didn't care so much
For the feel of your cold, cold touch
In every bed I leave behind
Is it human to adore life?

I understand the urgency of life
In the distance there is truth which cuts like a knife
Maybe I will die maybe tomorrow so I need to say

I adore life

I adore life
Do you adore life?
