

# Give Your Heart A Break

Savannah Outen

The day I first met you  
You told me, You'd never fall in love  
But now that I get you  
I know fear is what it really was

Now here we are, so close, yet so far  
haven't I passed the test.  
When will you realize  
Baby I'm not like the rest

Don't wanna break your heart  
Wanna give your heart a break  
I know you've scared  
It's wrong like you might make a mistake  
Theres just one life to live  
and theres no time to waste (to waste)  
So let me  
Give your heart a break  
Give your heart a break  
Let me give your heart a break, your heart a break  
Oh yeah, yeah

On Sunday you went home alone,  
there were tears in your eyes,  
I called your cell phone  
My love, but you did not reply

The world is ours  
If you want it,  
We can take it  
If you just take my hand,  
There's no turning back now  
Baby try to understand

Don't wanna break your heart  
Wanna give your heart a break  
I know you've scared  
It's wrong like you might make a mistake  
Theres just one life to live  
and theres no time to waste (to waste)  
So let me  
Give your heart a break  
Give your heart a break  
Let me give your heart a break, your heart a break  
There's just so much you can take  
Give your heart a break  
Lemme give your heart a break, your heart a break  
(oh yeah, yeah)

When your lips are on my lips  
And our hearts beat as one  
But you slip out of my finger tips  
Every time you run  
Oh

Don't wanna break your heart  
Wanna give your heart a break

I know you've scared  
It's wrong like you might make a mistake  
There's just one life to live  
And there's no time to waste (waste)  
So let me  
Give your heart a break  
'Cause you've been hurt before  
I can see it in you eyes  
You try to smile away, some things you can't disguise

Don't wanna break your heart  
Maybe I can ease the ache, the ache  
So let me  
Give your heart a break  
Give your heart a break  
Lemme give your heart a break, your heart a break  
There's just so much you can take  
Give your heart a break  
Lemme give you heart a break, your heart a break  
Oh yeah, yeah

The day I first met you  
You told me, you'd never fall in love
