

If You Only Knew

Savannah Outen

If you only knew that I think about you,
In a kinda secret way,
I say kind of 'cause,
Well it's obvious,
I must be feeling these things,

Too bad you can tell 'cause...

If you only knew it would be a dream come true,
Standing next to you,
Yeah I might go insane to know,
That you feel the same as I do,
If You Only Knew,

If you only knew I write songs about you,
In the lyrics all reveal,
I imagine us chillin' out and stuff,
When I close my eyes this is real,

Singing out your name...

If you only knew it would be a dream come true,
Standing next to you,
Yeah I might go insane to know,
That you feel the same as I do,
And then maybe someday,
You'd write me a song too,
If I had it my waaaaay
If you only knew
If You Only Knew,

If you only knew it would be a dream come true
Standing next to you
Yeah I might go insane!
If you only knew it would be a dream come true
Standing next to you
Yeah I might go insane to know
That you feel the same as I do
If You Only Knew
