

The Song Of Christmas Time

Savannah Outen

Why does there have to be
So many hearts that need
Need love at Christmas time
It's more than the gift you bring
It's more than the words we sing
It's the song of Christmas

Pre Chorus:

If we all know the melody
Then we should live in harmony

Chorus:

Let the earth rejoice
Let us raise one voice
With the song of Christmas Time
Let the choir sing
Let the heavens ring
With the song of Christmas time
When every note your singing holds a deeper meaning
You will find love in every line
Of the song of Christmas time

Verse 2:

It's not unbelievable
Believe in a miracle
Believe in Christmas

Pre-Chorus:

And if you know the melody
Then you will live in harmony

Chorus:

Bridge:

If there was one thing you could get me
One thing I wish I could have
That would be...
Peace for you and me

Chorus
