

# Tonight With You ft Josh Golden

Savannah Outen

Well everything could change tonight  
We could pack up, and leave this whole town behind  
There is no turning back  
Tonight is all we have, yeah

These days go by so quickly  
Feels like i'm losing my mind  
And we are running out of time

These days never felt so lonely  
I try but no one knows me  
They all just think i'm crazy

Girl, just tell me why we can't go now  
Boy, why can't we just break out?

Well everything could change tonight  
We could pack up, and leave this whole town behind  
You are the key to my only way out  
There's nothing more I care about  
And nothings gonna change my mind  
I'll feel this way as long as I'm alive  
There is no turning back  
Tonight is all we have  
So lets make this last

Don't bother saying goodbye  
They don't need to know why  
Cause we are running out of time  
(we're running out of time)

I need you and no one else  
Boy I don't want you to go  
I want you all to myself

Well everything could change tonight  
We could pack up, and leave this whole town behind  
You are the key to my only way out  
There's nothing more I care about  
And nothings gonna change my mind  
I'll feel this way as long as I'm alive  
There is no turning back  
Tonight is all we have  
So lets make this last

If i'd have known,  
then i would trade everything just to be by your side  
You should know,  
that i would lose anything just be with you tonight

Well everything could change tonight  
We could pack up, and leave this whole town behind  
You are the key to my only way out  
There's nothing more I care about  
And nothings gonna change my mind

I'll feel this way as long as I'm alive  
There is no turning back  
Tonight is all we have  
Lets make this last

Tonight with you  
Tonight with you.
