Someone

Got themselves a letter
In the mail the other day
It's already worn and tattered
And I guess
It gives away

All the things we keep inside
All the things that really matter
The face puts on its best disguise
And all is well
Until the heart
Betrays

She knows
As she reads the letter
That things were bound to stray
Winds blow
She pulls her coat tighter
And the letter flies away

With all the things she keeps inside All the things that really matter The face puts on its best disguise And all is well Until the heart betrays

Lord bring on the night Wrap it all around me
Let it hold me tight
Soak up all that I bleed

And I'll fly away Yeah I'll fly away Yeah I'll fly away Watch me

Lord bring on the night Wrap it all around me
Let it hold me tight
Soak up all that I bleed

I bleed
