So after all those one night stands You've ended up with heart in hand A child alone On your own Retreating Regretful for the things you're not And all the dreams you haven't got Without a home A heart of stone Lies bleeding And for all the roads you followed And for all you did not find And for all the things you had to leave behind I am the way I am the light I am the dark inside the night I hear your hopes I feel your dreams And in the dark I hear your screams Don't turn away Just take my hand And when you make your final stand I'll be right there I'll never leave And all I ask of you Believe Your childhood eyes were so intense While bartering your innocence For bits of string The grown-up wings You needed But when you had to add them up You found that there were not enough To get you in Pay for sins repeated And for all the years you borrowed And for all the tears you cried And for all the fears you had to keep inside I am the way I am the light I am the dark inside the night I hear your hopes I feel your dreams And in the dark I hear your screams Don't turn away Just take my hand And when you make your final stand I'll be right there I'll never leave

All I ask of you is

## Believe

I never wanted to know Never wanted to see I wasted my time Till time wasted me I never wanted to go I always wanted to stay 'Cause the persons I am Are the parts that I play So I plot and I plan And I hope and I scheme To the lure of a night Filled with unfinished dreams And I'm holding on tight To a world gone astray As they charge me for years I can't pay

I am the way
I am the light
I am the dark
Inside the night
I hear your hopes
I feel your dreams
And in the dark
I hear your screams
Don't turn away
Just take my hand
And when you make your final stand
I'll be right there
I'll never leave
All I ask of you
