

## The Whip

Savatage

Baby better get it straight  
I'm a nasty kinda date  
I like to do it hard  
Crack the whip  
Till you're scarred

Down-down on your knees  
Give a kiss and a squeeze  
Yea-like you to open wide  
Baby baby gonna come inside, yeah yeah

The whip is gonna get you  
Drop you to your knees  
The whip is gonna get you  
Drop you to your knees  
Down on your knees

Baby-baby-don't you go  
Can't you see I want some more  
With the whip in my hand  
Got you at my command, yeah

Down-down on your knees  
Give a kiss and a squeeze  
Yea-I'm gonna stay up late  
My baby won't have to wait

The whip is gonna get you  
Drop you to your knees  
The whip is gonna get you  
Drop you to your knees  
No!

The whip is gonna get you  
Drop you to your knees  
The whip is gonna get you  
Drop you to your knees  
Oh, yeah!
