

This is the Time

Savatage

Watching in silence, I hesitate: It was not in the plans
All of our lives we could only wait: It was out of our hands

And every war where we took the day, it was all in our heads
And though in the dark we dream at night, they were better unsaid

[chorus]

But this is the time and this is the place
And these are the signs that we must embrace
The moment is now, in all history
The time has arrived and this is the one place to be

Yeah, yeah

We placed our years in the hourglass, they were never unearned
And we seemed destined to watch them pass - it was never our turn

[chorus]

But this is the time and this is the place
And these are the signs that we must embrace
The moment is now, in all history
The time has arrived and this is the one place to be

Yeah, yeah

[lead break]

[solo]

[chorus]

This is the time and this is the place
And these are the signs that we must embrace
The moment is now, in all history
The time has arrived and this is the one place to be

Yeah, yeah

[extrol]

AND A WIND CAME ACROSS EUROPE
THAT WOULD TWIST AND TURN OUR FATE
FOR AS WELL AS BRINGING FREEDOM
IT HAD LET LOOSE MEN OF HATE

NOW THESE MEN WERE FEW IN NUMBER
AND THE PEOPLE THREW THEM OUT
BUT IN THE MIND OF EACH MAN'S NEIGHBOR
THEY HAD PLANTED SEEDS OF DOUBT
