

Just the other day
I was walking by myself
Little kids at play
Old man talking to himself
I went outside to get a drink
Sat down by the door to think
Out of the corner of my eye
Caught a glimpse of the superspy
When he saw me look his way
He jumped down that alley way

Then I saw that man
In his black suit and cadillac
Suckin' on a lollipop

Next night I went on a date
Runnin' to the movies late
I recognize that coat and hat
Puffin' on a cigarette
Cruisin' my house
Buggin' my phone
When will I be left alone?

Why's he followin' me?
Everywhere I go
Superspy blow

Then I saw that man
In his black suit and cadillac
Why's he following me?
Everywhere I go
Superspy I see
Whoa, I see
Whoa, I see
