

# The World Is New

Save Ferris

I was sitting and awaiting  
Just thinking, contemplating my life when I heard the phone  
I picked up the receiver  
And I did not believe her  
When I heard a voice say you're not alone

When I am down and I am blue  
All I have to do  
Is close my eyes and think of you  
And the world is new

Life was getting hectic  
And things were unexpected  
When I first received your call  
But now it is the best thing  
That filled up what was missing  
And now my life is envied by all

When I am down and I am blue  
All I have to do  
Is close my eyes and think of you  
And the world is new

I was sitting and awaiting  
Just thinking, contemplating my life when I heard the phone  
I picked up the receiver  
And I did not believe her  
When I heard a voice say you're not alone

When I am down and I am blue  
All I have to do  
Is close my eyes and think of you  
And the world is new
