You and Me

Save Ferris

Baby I use to think I loved you so But now I met someone new and I really just don't know And i've tried to let you know just how I feel But somehow my emotions mixed up what was fake and real

Cause you and me We used to be so good And things don't seem to be just like they should And I would never try to hurt you so But now it's time for me to try to let you go

Now it's time for me to say good-bye And I know I probably could have told you lots of lies But i've always tried to do just what was best And I never meant for your poor heart to go through all this me ss

Cause you and me We used to be so good And things don't seem to be just like they should And I would never try to hurt you so But now it's time for me to try to let you go
