

Do You Know What I Love the Most?

Saves the Day

Do you know what I love the most?
Even suburbs would be o.k.
With you between my sheets
And the breeze in the window
'Cause we will go there and ignore all our neighbors
I think I'll bring you breakfast and play Johnny Cash on the stereo
I'll sit in the lazy chair all day remembering the things you do
So when you come home
I'll jump up to kiss you and it will knock you back
You'll fall over our TV set
I'll pick you up and dust you off
Oh, Baby let's give it a go
I'll kiss your thighs to make you feel all right
And then I'll get closer to taste a little sweat
Oh I think I'm rearing to go
You're gonna get knocked out and tied up in my trunk
In ten years we'll go to Ohio and steal Cadillac's for a living
