Do You Know What I Love the Most?

Saves the Day

Do you know what I love the most? Even suburbs would be o.k. With you between my sheets And the breeze in the window 'Cause we will go there and ignore all our neighbors I think I'll bring you breakfast and play Johnny Cash on the st I'll sit in the lazy chair all day remembering the things you d So when you come home I'll jump up to kiss you and it will knock you back You'll fall over our TV set I'll pick you up and dust you off Oh, Baby let's give it a go I'll kiss your thighs to make you feel all right And then I'll get closer to taste a little sweat Oh I think I'm rearing to go You're gonna get knocked out and tied up in my trunk In ten years we'll go to Ohio and steal Cadillac's for a living
