Saving Abel

I'm so addicted to
All the things you do
When you're going down on me
In between the sheets

All the sounds you make
With every breath you take
It's unlike anything
When you're loving me

Oh, girl, let's take it slow
So as for you, well, you know where to go
I want to take my love
And hate you till the end

It's not like you to turn away
From all the bullshit I can't take
It's not like me to walk away

I'm so addicted to
All the things you do
When you're going down on me
In between the sheets

All the sounds you make
With every breathe you take
It's unlike anything
When you're loving me

Yeah

I know when it's getting rough
All the times we spend
When we try to make
This love something better than just making up again

It's not like you to turn away
All the bullshit I can't take
Just when I think I can walk away

I'm so addicted to
All the things you do
When you're going on me
In between the sheets

All the sounds you make
With every breathe
It's unlike anything

I'm so addicted to
The things you do
When you're going down on me
All the sounds you make

With every breath you take
It's unlike anything
When you're loving me

When you're loving me

How can I make it through
All the things you do
There's just got to be more to you and me

I'm so addicted to
All the things you do
When you're going down on me
In between the sheets

All the sounds you make
With every breath you take
It's unlike anything
It's unlike anything

I'm so addicted to
All the things you do
When you're going down on me

All the sounds you make
With every breath you take
It's unlike anything

I'm so addicted to you
Addicted to you
