

# Out of My Face

Saving Abel

I'm not the man you want of me  
I'm not the same I used to be  
I think for myself now  
I don't need you in my ear  
I'd love to hit you in the face  
I'd love to know you've gone away  
I don't wanna see you again  
I hope you can understand me

Get out of my face  
Get out of my sight  
Get out of my head and give me back my piece of mind  
I don't understand why you think you  
Can do the things you can't

So get out of my face  
Get out of my sight  
Get out of my head and give me back my piece of mind  
My piece of mind

You're so mad 'cause your losing control  
You don't know which way is safe to go  
Everything is so fake  
I don't know what else to say  
You'll see somehow some day  
Some way you'll see believe me

Get out of my face  
Get out of my sight  
Get out of my head and give me back my piece of mind  
I don't understand why you think you  
Can do the things you can't

So get out of my face  
Get out of my sight  
Get out of my head and give me back my piece of mind  
My piece of mind

Get out of my face  
Get out of my sight  
Get out of my head

Get out of my face  
Get out of my sight  
Get out of my head and give me back my piece of mind  
I don't understand why you think you  
Can do the things you can't

So get out of my face  
Get out of my sight  
Get out of my head and give me back my piece of mind  
My piece of mind

Get out of my face  
Get out of my sight  
Get out of my head

Bring me back my piece of mind

So get out of my face

Get out of my sight

Get out of my head and give me back my piece of mind

My piece of mind
