

## Secrets

## Saving Abel

I gather up your white lies  
But your love, fireflies  
I pour them over your head  
Laying in your bed  
Nightlights so that you can see  
you're not the only one in love with me  
Only one in love with me

Everybody is somebody's secret  
Everybody's got a secret too  
Everybody is somebody's secret  
Don't you think I know those secrets too  
What about you?  
What about you?

Compromise sacrifice now that the tables have turned  
You live and you learn  
With all the rules I abused  
And all the time you were used  
And all this time I'm confused  
I'm not the only one in love with you

Everybody is somebody's secret  
Everybody's got a secret too  
Everybody is somebody's secret  
Don't you think I know those secrets too  
What about you?

Don't you  
Whispered to me I don't want to hear it  
I know  
Two can keep a secret if one is dead

Everybody is somebody's secret  
Everybody's got a secret too  
Everybody is somebody's secret  
Don't you think I know those secrets too  
What about you?  
What about you?

Everybody is somebody's secret  
Everybody is somebody's secret  
Yeah
