

# Good Enough

Saving Jane

Put on your best dress  
Just be yourself  
You think you're special  
You're just like everybody else  
Put on your makeup  
Show me your smile  
Maybe they'll love you  
For just a little while

It's an ugly game you play  
When what you really mean to say

Is I'm not good enough for you  
And I'm not everything you need  
Well I don't care if all that's true  
'Cause I'm good enough for me

My name is baby  
And I'll be anything you want  
I'm in your bed and in your head  
And I am gonna be a star  
And you can hate me  
You can say anything you want  
But you won't break me  
Because you tried too hard

I know it gets under your skin  
That I will never let you win

'Cause I'm not good enough for you  
And I'm not everything you need  
well I don't care if all that's true  
'Cause I'm good enough for me

And I won't be your consolation prize  
I won't be your second place this time  
I don't need you to cut me down to size

Put on your best dress  
Just be yourself  
You think you're special  
You're just like everybody else  
Put on your makeup  
Show me your smile  
Maybe they'll love you  
For just a little while

It's an ugly game you play  
When what you really mean to say

Is I'm not good enough for you  
And I'm not everything you need  
Well I don't care it all that's true  
'Cause I'm good enough for me  
But I'm not good enough for you  
And I'm not everything you need  
I don't care if all that's true

'Cause I'm good enough for me
