

Little Miss Mary Sunshine had a bad day  
She says it's overrated, living this way  
She took her hair down, left her sweater on the floor  
She's not a nice girl anymore

She says I won't apologize  
Stand up girls, and dry your eyes  
And I'll see you on the other side of good

Where we sing Na,Na,Na,Nada,Nada,Na Na,Na,Na,Nada,Nada,Na

She paints her fingernails in black, she's on the run  
On the wrong side of the tracks where life is fun  
Points a finger, but there's nobody to blame  
All the people in her memory look the same

She says I won't apologize  
Stand up girls, and dry your eyes  
And I'll see you on the other side of good

Where we sing Na,Na,Na,Nada,Nada,Na Na,Na,Na,Nada,Nada,Na

Everybody's favorite girl  
Doesn't fake it anymore  
I'm okay with who I am today  
Everybody's gotta change  
I'm just doing what I can  
Could you love me anyway?

Where we sing Na,Na,Na,Nada,Nada,Na Na,Na,Na,Nada,Nada,Na

She says I won't apologize  
Stand up girls, and dry your eyes  
And I'll see you on the other side of good

Where we sing Na,Na,Na,Nada,Nada,Na Na,Na,Na,Nada,Nada,Na
