

Nobody Loves You

Saving Jane

So Selfish, You Always Get What You Want
So Perfect, Nobody's Telling You No
You Want Me, It Comes So Easy To You

So Pretty, You Think I'm Falling For you
So Stupid, To Play The Games That You Do
You Want Me, But I'm Nobody's Fool

You're So Full Of yourself And You Can't Get Enough
When You Walk By The Mirror You're Falling In Love
Won't You Stop, Take A Breath, Cause Your Not Such A Catch
You're So Deluted, But The Truth Is
Nobody Loves You, Like You Do

So Jaded, I Watch Them Fall At Your Feet
Your Handed, Everything That You Need
You Want Me, But I'm Still Playing It Cool

So Wasted, You're Just Wasting My Time
So Clever, You're So Quick With The Lies
You Want Me, But I Want Nothing To Do With You

You're So Full Of Yourself And You Can't Get Enough
When You Walk By The Mirror You're Falling In Love
Won't You Stop, Take A Breath, Cause Your Not Such A Catch
You're So Deluted, But The Truth Is
Nobody Loves You, Like You Do

Tell Me All About Yourself Again
Could It Be That I'm The Perfect 10
Keep Talking, I'm Not Listening

You're So Full Of Yourself And You Can't Get Enough
When You Walk By The Mirror, You're Falling In Love

You're So Full Of yourself And You Can't Get Enough
When You Walk By The Mirror You're Falling In Love
Won't You Stop, Take A Breath, Cause You're Not Such A Catch
You're So Deluted, But The Truth Is

You're So Full Of Yourself And You Can't Get Enough
When you walk By The Mirror You're Falling In Love
But the Truth Is
Nobody Loves You, Like You Do.
