

## The Fall Of Babylon

Saviour Machine

"Come out of her, my people  
Lest you share in her sins  
Lest you receive of her plagues  
Her sins reach the heavens  
And God has remembered her name."

Babylon; she is fallen, Babylon the harlot  
Babylon the great crawls on her knees  
Cursed with disease and fate...

She has become the habitation of demons  
A prison for every foul spirit  
And a cage for every unclean bird...

For all nations have drunk of the wine  
Of the wrath of her fornication  
And the kings of the earth have raped her  
And chained her in her desolation...

For she says in her heart  
"I am queen, I am power."

And her plagues shall they come  
In one day, in one hour...

"Burn; Babylon, burn."

"Your riches are corrupted  
Your gold and silver are corroded  
And their corrosion will be witness against you  
And will eat your flesh like fire."

The angel took the stone  
And threw it into the sea  
Saying, "Thus with violence  
Babylon shall be thrown down  
And shall not be found anymore."
