The shame The alcohol Consume their tarnished youth Fuck the free world Boredom is cured with a handful of pills Fuck the free world Fathers keep in touch with their daughters on Redtube Fuck the free world And all we do, all we do is laugh about it Mortified when did they grow so dumb Petrified by the ease They tarnish their nature With no second thought of self preservation For their future Crashed and burnt Before they took A second look When the fuck did they grow so dumb When the fuck But what are we supposed to do? All we do is laugh about it What are we supposed to do? All we do is laugh about it Ready or not, this is it bitches Show me what you got Who's fucking laughing now? Who's laughing now motherfuckers?
