

# A Man Alone

Savoy Brown

To hurt to cry  
I`m holding back the tears  
I want to run and hide  
From all the wasted years  
In this lonely room room  
I sit and stare

A man alone (2x)

To down to smile  
Now the love has gone  
A look for reasons why  
Where did we go wrong  
In this lonely room  
I sit and stare

A man alone (4x)

There is cold feeling  
It`s like ice around my heart  
I feel confusion in my mind  
And it`s tearin` me apart

To hurt to cry  
I`m holding back the tears  
I want to run and hide  
From all the wasted years  
In this lonely room room  
I sit and stare

A man alone (4x)
