

All I Can Do

Savoy Brown

You've gone away
I'll get by somehow
Just right now

All I can do is cry
All I can do is cry
I tried to find
Why you said go

Now I know
All I can do is cry
All I can do is cry

Tell me why
You walked out that way
What can I say

All I can do is cry
All I can do is cry

I keep searching for an answer
As I sit here in my lonely room
Till I find a reason to keep living

All I can do is cry
All I can do is cry
All I can do is cry, yeah

I keep searching for an answer
As I sit here in my lonely room
Till I find an reason to keep living

All I can do is cry
All I can do is cry
All I can do is cry

You've gone away
I'll get by somehow
Just right now

All I can do is cry
All I can do is cry

I tried to find
Why you said go
Now I know

All I can do is cry
All I can do is cry
All I can do is cry
